See the World!

**Rotary International
Youth Exchange
Program**

Rotary Club of Barrie

Why Rotary Youth Exchange?

Rotary International is a network of clubs around the world dedicated to serving others and advancing international goodwill. Rotary's motto is "Service above Self."

The Youth Exchange program is a cornerstone for our international effort in promoting contact and dialog among different countries and cultures. Youth Exchange students become good-will ambassadors of Canada as they learn and experience how other people live and view the world.

Students stay with 3 to 4 different families (to experience different lifestyles) and are given food & lodging. They receive a monthly stipend of \$100 spending money. They have the opportunity to immerse in another culture in a very affordable way.

Ski in the Swiss Alps - steam in a Finnish sauna – tour Roman ruins - all of these are possible (and have been done!) by exchange students.

This year 7,000 young people will see the world the way it is best seen — personally — through the youth exchange program. This could be your year! For less than the cost of a semester in most universities you can spend a full year in another land as an exchange student! Come on, apply for Rotary's Youth Exchange program.

You may never have another chance to live in a different country.

Program Requirements

- You must be a minimum of 16 years old at time of departure, and a maximum of 17 years old at departure (August 2020).
- Relationship to a Rotarian is not required.
- There is no specific language requirement. A student that has studied any language is going to be more responsive to the learning process when they arrive in his/her host country.
- Do you have the ability to adapt to the demands of new situations?
- Will a sponsoring Rotary club be proud to be represented by you?
- Do you have the support of your parents?
- Applicants will need to submit a completed application including references and medical examination.
- Applicants should be in the upper third of their class, academically.

Successful long-term applicants pay \$3,500. This covers airfare, orientation, blazer and business cards. (*Upon successful completion of the exchange, \$500 will be refunded.*) Spending money and touring abroad are the student's responsibility.
